## Members Meeting Food Sponsorship

Thank you for your participation in the Permian Basin Association of Pipeliners (PBAP). To help defray the cost of monthly meetings and food for our members, the PBAP accepts sponsors for \$2,500 per meeting. With your sponsorship, our venue charges are offset and prices are reduced for our members, thereby increasing participation in these monthly meetings.

By sponsoring a meeting and the food portion, your company will receive the following benefits:

1. A brief (10-minute) presentation during the meeting about your company.
2. Company logo on marketing materials at meeting and on website announcing the meeting.
